Our Sister Republics: The United States in an Age of American Revolutions
Berghahn Books

"Without a doubt the best work ever published in the English language on the life and deeds of Simón Bolivar. . . . Full of interesting vignettes." —Inter-American Review of Bibliography The overthrow of Spanish rule and the birth of new republican governments in northern South America at the dawn of the nineteenth century were in large part the work of one man—Simón Bolívar. Bolívar was not only the soldier who built a patriot army from a small band of exiles and led them victoriously across Venezuela and down the spine of the Andes as far as Potosí: he was also the statesman who framed the new republics and called the Congress of Panama in pursuit of his dream of uniting all the South American republics in a single confederation. He was, truly, the Liberator. This narrative by his friend and chief aide, Daniel Florencio O'Leary, has long been recognized by Spanish American scholars as one of the most important historical sources for a major part of Bolívar's life. O'Leary took an active part in the wars for independence, first as a young officer recruited in the British Isles, and later was entrusted with diplomatic missions. His firsthand knowledge of the events of the period, his access to relevant documents, and his close association with major figures in the struggle made O'Leary a particularly valuable chronicler and biographer. Bolívar himself, shortly

before his death, requested that O'Leary write the story of his life. O'Leary's meticulous attention to military and diplomatic maneuvers and his keen, sometimes acrid, comments on both men and events give not only a vivid portrait of Bolívar—the man and his achievements—but also a remarkable insight into the autocratic-minded O'Leary. Though O'Leary's devotion to, and admiration for, his Chief make for an occasionally partisan view, his stark account of the hardships and disappointments that Bolívar and his armies overcame against almost impossible odds does much to balance the narrative. In his abridged translation, Robert McNerney has omitted the Apéndice, documents that O'Leary, had he lived, undoubtedly would have used as the source for completing his account of Bolívar's life. Numerous letters and documents scattered through the original text also have been omitted, leaving a highly readable biography. Liberators Rowman & Littlefield **Publishers**

This compelling biography offers a unique perspective on the life and career of one of Latin America's most famous—and most adulated—historical figures. Departing from the conventional, narrow treatment of Bolívar's role in the Spanish-American wars of independence (1810-1825), leading historian Lester D. Langley frames this remarkable figure as the quintessential Venezuelan rebel, who by circumstance and sheer will rose to be the continent's most noted revolutionary and liberator. In the process, he became both a unifying and a divisive presence whose symbolic influence remains powerful even today. Twice Bolívar

gained power, twice he confronted a formidable counterrevolution, twice he was compelled to flee. His ultimate tactic of using slave and mixed-race troops aroused both the admiration and fear of U.S. leaders and became a topic of heated discussion in the critical debates of 1817 and 1818 over U.S. policy toward the Spanish-American wars as well as the arguments over the admission of Missouri as a state in 1820-1821 and the U.S. decision to participate in the ill-fated Congress of Panama. Although he earned the sobriquet of the "George Washington" of South America, Bolívar in victory became more conservative and critical of the democratic tide of the era. Unlike Washington, Bolívar was forced into exile, the victim of his own ambitions and the fears of others. In his tragic end, he symbolized the glorious warrior so consumed by his own ambition and hatreds that he was destroyed. In death, he became a cult figure whose life and meaning casts a long shadow over modern Venezuelan history. As the author convincingly explains, he remains the most relevant figure of the revolutionary age in the Americas. Silver, Sword, and Stone Simon & Schuster

José Aricó explores why Latin-American reality was apparently 'excluded' from Marx's thought. Identifying the contradictions in Marx's attitude to 'peripheral' countries, Aricó challenges charges of 'Eurocentrism', demonstrating how Marx's hostility to Simón Bolívar's 'Bonapartism' coloured his attitude towards the continent.

Guerrilla Warfare Independently

This concise history of guerilla warfare presents profiles in combat courage from George Washington to Simón Bolívar,

Published

Mao Zedong, and beyond. The concept of guerrilla warfare is centuries old, with Sun Tzu's writing on the subject dating back to the sixth century BC. One of the earliest recorded examples of guerrilla tactics deployed by a military leader was the campaign of Roman general Fabius Maximus, who took a course of evasion and harassment against Hannibal's columns. Guerilla Warfare is a compendium of prominent guerrilla leaders across the globe, from thirteenth-century Scotland's William Wallace to modern-day Sri Lanka's Velupillai Prabhakaran. It profiles each leader to analyze their personal history, military tactics, and political strategy. All are home-grown leaders of extended guerrilla campaigns. Many became the first leaders of their liberated countries. Both victories and defeats are included here in an analysis of effective guerrilla tactics as well as counterinsurgency strategies. Today, the labels of insurgent, freedom fighter, and jihadi are fast replacing guerrilla. The old notion of the guerrilla, associated with fights for independence and the end of colonialization, has dimmed with modern and far-reaching religious insurgencies taking their place. This concise history gives a fascinating overview of a once history-altering form of warfare.

Sim New York: Knopf
Simon Bolivar by Various (Ed. Charles F.
Horne) presents a collection of writings
and documents related to Simon Bolivar,
a Venezuelan military and political
leader who played a pivotal role in Latin
America's struggle for independence
from Spanish colonial rule. Key Aspects
of the Book "Simon Bolivar": Libertador's
Vision: The book explores Simon
Bolivar's vision for a united and
independent Latin America, his military
campaigns, and his efforts to establish

republics. Champion of Independence: It highlights Bolivar's leadership in liberating several countries in South America and his contributions to the cause of self-governance. Pan-American Influence: The book reflects on Bolivar's impact on the region, his geopolitical ideas, and his legacy as a revolutionary figure. "Simon Bolivar" by Various (Ed. Charles F. Horne) offers readers a collection of documents and insights into the life and contributions of a prominent leader in Latin America's fight for independence.

Verso Books

Follows the life of Simâon Bolâivar from his wealthy childhood in Venezuela to his rise to power as the revolutionary leader of Spanish-held Latin America. Latin American World Harry N. Abrams This authoritative and beautiful book presents the first continuous narrative history of Latin American art from the years of the Independence movements in the 1820s up to the present day. Exploring both the indigenous roots and the colonial and post-colonial experiences of the various countries, the book investigates fascinating though little-known aspects of nineteenth and twentieth-century art and also provides a context for the contemporary art of the continent.

Paisanos Cambridge University Press
This book features biographies of 32 of
the most notable figures in Latin
American history. To the 23 individuals
from the first edition, consisting mostly
of revolutionary, political, and military
figures of the past, are added nine new
biographies of contemporary Latin
American presidents, providing an
updated view of the region's leadership.
Several patterns run through the
individual biographies. The concept of
native identity is an important aspect in

the stories of Malinche, Juárez, Sandino, and Zapata—profoundly affecting the politics of modern Brazil, Mexico, and Nicaragua. One also sees a continuing compulsion to rebel against overwhelming odds in the cases of Manuela Sáenz, Che Guevara and Daniel Ortega.

Simón Bolívar Verso

BolivarSkyhorse Publishing Inc. Simón Bolívar's Quest for Glory University of Notre Dame Pess Simón Bolívar was a revolutionary and a political leader whose courageous battles for Latin self-rule led to the establishment of Venezuela, Bolivia, Colombia, Ecuador, Peru, and Panama as independent nations. Today, Bolívar is known as a great hero, and his name graces many institutions and streets across Latin America. This text examines Bolívar∏s life and influence using primary source documents, photographs, and an examination of the context in which Bolívar fought for Latin American independence. Students will be guided through their reading with a glossary of important words, a timeline, and references for further reading on the topic.

El Libertador Bolivar

Chronicles the life of Simón Bolívar, exploring his political career, leadership dynamics, rule over the people of Spanish America, and impact on world history.

Latin American Heroes Washington
This volume of essays on the life and legacy of Simón Bolívar looks at the impact of "the Liberator" as warrior, political thinker and leader, internationalist, continentalist, reformer, and revolutionary. An appraisal of Bolívar's role in the Spanish American wars of independence, this offers an explanation of why the Bolívarian legend

and cult has persisted.

In the Shadow of the Liberator Ballantine Books

Describes the lives and deaths of the seven Liberators, the men who led Latin America's fight for independence and won it in a span of only twenty years after three centuries of Spanish domination.

Simón Bolívar Hachette UK
In a first-hand report from Venezuela, veteran correspondent Richard Gott places the county's controversial president in historical perspective. Examining Chavez's plans and programmes and the support these attract, Gott argues that this unique experiment may prove a new way forward for Latin America.

Simón Bolívar Simon and Schuster Many North Americans are unaware of the history and politics of Latin America, and Latin American Heroes goes a long way to redress this lack of knowledge. These profiles of twenty-three history makers offer a unique view of Latin America through the eyes of men and women who devoted their lives to their countries, and to the freedom of their people. Here are fascinating minibiographies of such influential and important subjects as Dona Marina (La Malinche), a former slave, born in 1505, who became an invaluable translator for Cortes; Toussaint L'Ouverture, who led Haitians to rebel against their French masters in the first major slave revolt in the new world, Jose Marti, the journalist, revolutionary, poet, orator, and charismatic leader of the fight to free Cuba from Spanish domination, and the modern martyr Bishop Romero, who, as an outspoken Catholic clergyman opposed to the abuses of the rightist regime in El Salvador, was murdered for his beliefs. You'll also learn about Brazil's Emperors Pedro I and Pedro II, the Women of the Mexican Revolution, Argentina's Juan and Eva Peron, Mexico's Emiliano Zapata, Venezuela's Simon Bolivar, and Cuba's Che Guevara. A straightforward and thoroughly researched biographical reference that amplifies some of the most significant voices in Latin America, past and present, Latin American Heroes is a long-overdue tribute to the people whose fearless struggle for self-determination changed history.

Bolívar's Afterlife in the Americas Prentice Hall

General Simi¿½n Boli;½var (1783-1830), called El Liberator, and sometimes the "George Washington" of Latin America, was the leading hero of the Latin American independence movement. His victories over Spain won independence for Bolivia, Panama, Columbia, Ecuador, Peru, and Venezuela. Boli¿½var became Columbia's first president in 1819. In 1822, he became dictator of Peru. Upper Peru became a separate state, which was named Bolivia in Boli¿½var's honor, in 1825. The constitution, which he drew up for Bolivia, is one of his most important political pronouncements. Today he is remembered throughout South America, and in Venezuela and Bolivia his birthday is a national holiday. Although Bol�var never prepared a systematic treatise, his essays, proclamations, and letters constitute some of the most eloquent writing not of the independence period alone, but of any period in Latin American history. His analysis of the region's fundamental problems, ideas on political organization and proposals for Latin American integration are relevant and widely read today, even among Latin Americans of all countries and of all political persuasions. The "Cartagena Letter," the

"Jamaica Letter," and the "Angostura Address," are widely cited and reprinted. Simón Bolívar Constable General Simón Bolívar (1783-1830), called El Liberator, and sometimes the "George Washington" of Latin America, was the leading hero of the Latin American independence movement. Venezuela, Land of Bolivar Prabhat Prakashan AVAILABLE FOR THE FIRST TIME IN eBOOK! General Simon Bolivar. "the Liberator" of five South American countries, takes a last melancholy journey down the Magdalena River, revisiting cities along its shores, and reliving the triumphs, passions, and betrayals of his life. Infinitely charming, prodigiously successful in love, war and politics, he still dances with such enthusiasm and skill that his witnesses cannot believe he is ill. Aflame with memories of the power that he commanded and the dream of continental unity that eluded him, he is a moving exemplar of how much can be won-and lost-in a life.

Art in Latin America Enslow Publishing, LLC

In the early nineteenth century, thousands of volunteers left Ireland behind to join the fight for South American independence. Lured by the promise of adventure, fortune, and the opportunity to take a stand against colonialism, they braved the treacherous Atlantic crossing to join the ranks of the Liberator, Simón Bolívar, and became instrumental in helping oust the Spanish from Colombia, Panama, Venezuela, Ecuador, Peru, and Bolivia. Today, the names of streets, towns, schools, and football teams on the continent bear witness to their influence. But it was not just during wars of independence that the Irish helped transform Spanish America. Irish soldiers, engineers, and politicians, who had fled Ireland to escape religious and political persecution in their homeland, were responsible for changing the face of the Spanish colonies in the Americas during the eighteenth century. They included a

chief minister of Spain, Richard Wall; a chief inspector of the Spanish Army, Alexander O'Reilly; and the viceroy of Peru, Ambrose O'Higgins. Whether telling the stories of armed revolutionaries like Bernardo O'Higgins and James Rooke or retracing the steps of trailblazing women like Eliza Lynch

and Camila O'Gorman, Paisanos revisits a forgotten chapter of Irish history and, in so doing, reanimates the hopes, ambitions, ideals, and romanticism that helped fashion the New World and sowed the seeds of Ireland's revolutions to follow.
